

Customer Service

Project Delivery with Continuing Support

Project Delivery...

Quality Drives Product Manufacturing

Auquix schedules all production to fit your time-line. We are committed to get your project out quickly. We maintain a materials inventory for most products at the Vancouver, WA USA location. Dedicated fulfillment staff process and ship your order for on-time delivery.

Skilled Technicians

***“Technical Value
is Performance”***

Customer Service...

Easy, friendly and fast

We want to help you get your project completed quickly and easily. Courteous and professional customer service is available via phone or email to process and provide assistance with your needs. We pride ourselves on being industry leaders in response time.

Technical Support...

Providing the solutions you need

We are here to help you with technical and application support. Our technical engineering staff are trained to be product and industry experts. We will help you get the right solution to your specific application and fully support the project after completion.
